

RESOLUTION NO. 98-3

WHEREAS, a system of functionally classified routes have been established in Saline County, Nebraska, and one or more particular routes are located within the city limits of Friend, Nebraska; and

WHEREAS, the City Council of Friend, Nebraska, desires to revise the existing system of functionally classified routes within it's city limits in order to meet the following changing traffic conditions: change classification of 5 blocks of city street and roadway from local to major collector.

WHEREAS, it is the desire of the City Council of Friend, Nebraska that the following revision to national functional classification and county system of federal aid secondary routes be submitted concurrently to the federal highway administration for approval:

Revision: Page Street, running south from First Street to 5th Street, City of Friend. It is desired to revise the classification of this segment from local to major collector. This revision will provide a better road for the increase in traffic due to industrial and residential growth within the City of Friend.

NOW, THEREFORE, in consideration of these facts, the City Council takes the following action:

BE IT RESOLVED that the Nebraska Department of Roads is hereby requested to prepare the necessary documents and take all necessary steps required to order the approval of the above-described revisions to the national functional classification and federal aid secondary routes of Saline County, Nebraska.

DATED and ADOPTED this 7th day of April, 1998.
