

RESOLUTION NO. 11-04
HAZARD MITIGATION PLAN APPROVAL

WHEREAS, the Federal Disaster Mitigation Act of 2000 was signed into law on October 30, 2000, placing new emphasis on state and local mitigation planning for natural hazards and requiring communities to adopt a hazard mitigation action plan to be eligible for pre-disaster and post-disaster federal funding for mitigation purposes; and

WHEREAS, a Multi-jurisdictional All-Hazard Mitigation Plan was prepared by Little Blue and Lower Big Blue Natural Resource Districts with assistance from Olsson Associates of Lincoln, NE, which includes the **City of Friend**; and

WHEREAS, the purposes of the mitigation plan are to 1) increase the vulnerability awareness of the Districts and participating jurisdictions located within the planning boundary, 2) identify the hazards that affect the District and participating jurisdictions, 3) identify projects and strategies which would lessen the effects of the identified hazards, 4) prioritize mitigation projects and strategies to reduce potential loss of life and property damage from those hazards; and

WHEREAS, the planning process afforded the local units of government and its citizens the opportunity to comment and provide input in the plan and actions recommended in the plan

WHEREAS, FEMA regulations require documentation that the plan has been formally adopted by the governing body of the **City of Friend** in the form of this resolution; and

NOW, THEREFORE, the governing body of the **City of Friend** hereby adopts the Little Blue/Lower Big Blue Natural Resource District Multi-jurisdictional All-Hazard Mitigation Plan in its entirety and resolves to execute the plan as proposed and as approved by the Federal Emergency Management Agency.

IN WITNESS WHEREOF, this resolution was approved and executed this 5th day of April, 2011
